Lawrence, KS- Student Union Activities, in collaboration with KU Hillel, welcomes students to enjoy a free comedy show by stand up comedian-brothers, Jason and Randy Sklar on Thursday, February 21, at 7 pm in Woodruff Auditorium at the Kansas Union.

Jason and Randy Sklar are identical twins raised in St. Louis, MO. , they work together using their physical and mental similarities as twins to complete and affirm one another's sentences, resulting in stand up comedy. They also did four seasons of *Cheap Seats* on ESPN Classic and a half-hour standup show, *Comedy Central Presents*, which is still in regular rotation. The brothers have also appeared numerous times in television including appearances on *Entourage*, *Grey's Anatomy*, *Curb Your Enthusiasm* and *It's Always Sunny in Philadelphia*.

This is a free event for all students, faculty and the general public. Vouchers can be picked up in the SUA office on the 4th floor of the Student Union. For more information on this, and other great events, visit our website at www.suaevents.com.
